

縦の欄の数を、横並びの欄の分数でわりなさい。

数字の書かれていない部分を答えなさい。

| 除<br>法        | $\frac{1}{2}$ | $\frac{1}{3}$ | $\frac{2}{3}$ | $\frac{1}{4}$ | $\frac{3}{4}$ | $\frac{1}{5}$ | $\frac{2}{5}$ | $\frac{3}{5}$ | $\frac{4}{5}$ |
|---------------|---------------|---------------|---------------|---------------|---------------|---------------|---------------|---------------|---------------|
| $\frac{1}{2}$ |               |               |               |               |               |               |               |               |               |
| $\frac{1}{3}$ |               |               |               |               |               |               |               |               |               |
| $\frac{2}{3}$ |               |               |               |               |               |               |               |               |               |
